Note:

Some stocks are listed on a number of stock exchanges. The stock search on the online account will display all available listings across all of the allowable exchanges above for each stock. For example if a stock is listed on the Irish Stock Exchange the stock symbol on the stock search will have an ending of ".I". If a stock is listed on the London Stock Exchange it will appear on the stock search with an ending of ".L".

Irish Life Assurance plc is regulated by the Financial Regulator.
